

VILLAGE QUARTERLY

South Wayne, WI 53587

OCTOBER EDITION 2012

Fall is with us once again. Shorter days, cooler weather, and a flurry of leaves. We may not be as lucky as last year with fall-like weather lasting through February. It's time to clean up your yards & gardens and winterize your homes & vehicles. You may rake leaves into the street far enough to allow easy pick-up but not so far as to hinder traffic. Please **DO NOT** mix leaves with sticks, limbs, or other debris.

Leaves aren't the only things "flurrying". School has started and with it, activities galore. Check your school newsletter for events and dates. Also, it is a good idea to avoid Center Street by the school during unloading and loading of buses. And there is **NEVER** a "need to speed" near the school. Obey the speed limit and stop signs. Keep our kids and staff safe.

Calendar parking will take effect from November 1st to April 1st. Remember to park on the even-numbered side of streets on even calendar days and on the odd-numbered side on odd calendar days.

The ATV Route Ordinance in the Village of South Wayne states that all ATV operators shall obey posted speed limits. All routes in the Village will be closed from November 15th to April 1st.

Halloween is Wednesday, October 31st. Trick or Treating in the Village of South Wayne will be 5:00 PM to 7:00 PM. Drivers be on the look-out for ghouls and goblins. Parents please dress your children in light clothing or wear reflectors and walk in groups.

You may have noticed some activity in the Village. Center Street repair and drainage issues have been completed near the Lutheran Church. The ATV Park was completed at the beginning of summer with the addition of 3 BBQ grills. We have a new well house and well #3 has been refurbished. And we will be breaking ground in the near future for bathrooms at the Community Park on Robt. Homb Drive. **PROGRESS, PROGRESS, PROGRESS**
